

BEER OF THE MONTH

Berkshire Brewing Company

Established in 1994 in South Deerfield, MA, Berkshire Brewing Company is New England's premier regional craft brewery. For the past 25 years they've kept it simple: brewing their own ales and lagers fresh and in small batches, all of their beers are unfiltered, unpasteurized, and contain no chemical additives or preservatives.

Farmstand Raspberry

This special ale takes on its ruby hue appearance from the generous use of raspberries per gallon. Luscious malts and a balanced hop bitterness support the rich, sweet, tart character of the fruit. This brew is dangerously drinkable, challenging the notion of what a "fruit beer" can be.
